With A. Branciard

### **Research reports**

1. "Move closer, join, and differentiate. Some elements from the study of higher education and research clusters"  
Final report for the *Délégation interministérielle à l'aménagement et à la compétitivité des territoires* (French national agency for planning), 2008, 104 pages  
With J. Aust, C. Manifet, C. Musselin, C. Soldano
2. "Patterns of relationships between clusters and regional industrial systems. Four French Clusters in one French region: the Provence-Alpes-Cote d'Azur region"  
Final report for the regional government of Provence-Alpes-Cote d'Azur, 2008, 349 pages  
With Ariel Mendez (ed.), M. Bel, M. Pelissier-Thieriot, M. Bardet, B. Courault, M. Gadille, J. Garnier, C. Lanciano-Morandat, D. Mercier, H. Nohara, G. Perocheau, F. Fulconis, J. Joubert, K. Messeghem, A. Paradas, S. Viala-Tavakoli
3. "Multi-level governance of science policy in the European Research Area"  
In Yyarra E. (ed.), *Unpacking geographical spaces in research and innovation in Europe*, Final report for the European Commission, 2006, pp.28-40  
With J.-A. Héraud and K. Flanagan

## PRESENTATIONS

### International Conferences

1. *International Conference on Public Policy (ICPP5), Panel "How Experts Organize and Interact with the Political World? The Political Socializations of Expert"*  
Barcelona, July 5-9, 2021 (virtual conference)  
Transnational experts for science policy? The case of the committee for science and technology policy (CSTP) of the OECD"
2. *International Conference on Public Policy (ICPP5), Panel "Public Policies Beyond Borders: International Cooperation, Transfers and Translations?"* Barcelona, July 5-9, 2021 (virtual conference)  
"Toward transnational shaping of science policy? The case of the OECD"
3. *The 2021 Congress of the Swiss Sociological Association (SSA), Anchoring International Organizations in the Study of Organizational Sociology*, Geneva, June 28-30, 2021 (virtual conference)  
"An inter-organizational approach to the OECD: studying the interplay between national and international relations in the shaping of science policy"
4. *Joint Sessions of European Congress on Political Research, Workshop "International Organizations and policy-making: playing with repertoires as political resources"*  
Prague, May 24-28, 2021 (virtual conference)  
"Studying the Transnationalization of Science Policy Through the OECD: The Repertoires of the CSTP in Shaping Science Policy Models"
5. *International Conference French-Mexican Academic Institute (MUFRAMEX), "Transition between High School and University. Comparative studies of Mexico and France"*  
Toulouse, November 5-7, 2018  
"The French education system: three decades of reforms"  
With P. Raimbault
6. *European Science Open Foundation (ESOF), Panel on careers*  
Toulouse, July 9-14, 2018  
"Are policies of "excellence" excellent for careers and scientific activity?"  
With Y. Gingras, L. Georgiou, V. Simoulin, J. Vicente, A. Baccini, T. Tönismann
7. *Conference Understanding social worlds, Structuring Social Worlds Laboratory of Excellence (Labex SSW) Bi-annual congress*  
Toulouse, April 11-13, 2016  
"Academic government and economic world"
8. *Conference of French-speaking Associations of Sociologists (AISLF)*  
Bordeaux, July 10, 2014  
"The DGRST and the *Progrès Scientifique* journal. Between national science policy and international circulation of models (1971-1981)"
9. *4th international Congress of French-speaking Associations of Political Science (CoSPof)*  
Bruxelles, April 20-22, 2011  
"PRES, RTRA, and clusters: new functional spaces for governing higher education, research, and innovation in France?"  
With J. Aust
10. *3rd International Conference of the Network on Research on Higher Education Studies (RESUP), "Higher Education and Research Under Reform"*  
Sciences Po Paris, January 27-29, 2011

"Gather to reform? The PRES, from pooling to leading projects?"  
With J. Aust

11. *1st International Conference of the Network on Research on Higher Education Studies (RESUP), "Universities and their markets"*  
Sciences Po Paris, February 1-3, 2007  
"The diversification of funding sources for higher education and research: what role for local and regional funding sources?"
12. *2nd Conference of the International association of French-speaking Sociologists (AISLF), "Science, innovations, and society"*  
Grenoble, May 3-5, 2006  
"Reshaping science and technology policy in France: the end of the Colbertist state or the end of state intervention?"  
With A. Branciard
13. *Conference, "Governing Science: Towards an Interdisciplinary Narrative of Change?"*  
SURF Centre (The Centre for Sustainable Urban and Regional Futures), University of Salford, Manchester, November 24-25, 2005  
"The new governance of science in the face of the decentralization/devolution process in France"  
With J.-A. Héraud
14. *Workshop of the network of excellence PRIME (Policies for Research and Innovation in the Move Towards the European Research Area), Unpacking geographical spaces in research and innovation in Europe*  
Bilbao, October 3-4, 2005  
"Multi-level governance of science: the French case"  
with Jean-Alain Héraud
15. *17th Congress of the International association of French-speaking Sociologists (AISLF), Working Group 6: Sociology of science and innovation*  
Tours, July 5-9, 2004  
"Local actors and the 1999 law for innovation: between national logics and local dynamics"
16. *4th Conference on Proximity studies*  
Aix-Marseille University, Marseille, June 17-18, 2004  
"Shaping and using a tool of technology transfer in a network of local actors: what is the role of proximity?"  
With K. Mirochnitchenko
17. *Conference of the network of excellence PRIME (Policies for Research and Innovation in the Move Towards the European Research Area): New Challenges to Research and Innovation Policy*  
SPRU (Science and Technology Policy Research), University of Sussex, Brighton, May 19-21, 2004  
"The growing importance of regional policies for research in innovation in France? A case study of the Provence-Alpes-Côte d'Azur (PACA) region"

### **National conferences / Workshops**

18. "Money in Science", daylong workshop series for Structuring Social Worlds Laboratory of Excellence (Labex SSW), Toulouse, June 7, 2021 (online)  
"What International Directives are Needed in the Field of Research Funding? The Case of the OECD"
19. "Decreeing innovation? A Retrospective View of Research and Technology Policy in France since the 1980s", daylong workshop series for Tour de l'innovation, ENS Lyon, June 18, 2021 (online)  
"The Emergence of a New Model for Science and Technology Policy? The OECD in the 1980s"

20. *Workshop, "Science and Politics"*  
Printemps Laboratory and the Center for the Sociology of Organizations (CSO), Paris, December 4-5, 2014  
"Knowledge on science policy. The DGRST and the *Progrès Scientifique* journal. (1971-1981)"
21. *Congress of French Association of Sociology (AFS), Panel "Science and Technology in Society"*  
Nantes, September 2-5, 2013  
"Genesis of the interest in climate change: between science and politics. Funding atmospheric sciences in France: organization and effects (1976-1983)"  
With M. Jouvenet
22. *Workshop of the Network on Research on Higher Education Studies (RESUP): Policies for Research and Innovation in the Move Towards the European Research Area, "Higher education and research practices in universities in mid-sized cities"*  
Toulouse, March 8, 2013  
"Local government and the development of higher education, research, and innovation in mid-sized cities"  
With C. Soldano
23. *Conference for the 10 years of the Center of Social Sciences of Politics (LaSSP) "Law and political science: new directions for both academic disciplines?"*  
Sciences Po Toulouse, October 19-20, 2012  
"Reforming higher education and research: Reform via the institutionalization of cooperation"  
With J. Aust
24. *Annual Conference of IFRIS (Institute for Research and Innovation in Society)*  
CNAM, Paris, May 6-7, 2010  
"Reform via the institutionalization of cooperation: PRES, RTRA/RTRS, and clusters"  
With J. Aust
25. *Workshop, "New perspectives on regional policies"*  
CEPEL, University of Montpellier, January 28-29, 2010  
"What are the analytical frameworks for analyzing regional higher education and research policies?"  
With J. Aust and A. Vézian
26. *Conference, "University, Universities"*  
University of Franche-Comté, Besançon, October 22-23, 2009  
"The university as an object of regional policies"  
With A.-C. Douillet
27. *Conference, "Competitive territories. Genesis and practices of categories of public action and relationships between levels of government"*  
Sciences Po Strasbourg, November 27-28, 2008  
"Diffusion and appropriation of the model of 'competitive territories': best practice exchanges in European regions"
28. *Conference, "Selecting legitimate actors and tools of government in public action"*  
Sciences Po Lyon, June 26-28, 2008  
"Selective processes via regional research policies: between a high-level of selection and limited filtering effects"
29. *Workshop of the Network on Research on Higher Education Studies (RESUP) and the International association of French-speaking sociologists (AISLF), "Relationships between higher education and research in a changing context"*  
Toulouse, March 14, 2008

"Move closer, join, and differentiate. Some reflections on the implementation of higher education and research clusters "

With J. Aust, C. Manifet and C. Soldano

30. *Workshop, "Is the Academic World an Egalitarian System?"*  
Institute for Interdisciplinary Research on Science and Technology (IRIST) and the Bureau of Theoretical and Applied Economics (BETA), University of Strasbourg, February 8, 2007  
"Territorial inequalities and public action: some lessons from the French case"
31. *2nd Congress of the French Association of Sociology, "Sciences and technology in society"*  
Bordeaux, September 5-8, 2006  
"Research and innovation policies undergoing transformations?"  
With A. Branciard
32. *Conference of the network on public action and work: "Actors of public action confronted with tools of government"*  
Sciences Po Aix-en-Provence, September 4-5, 2006  
"Regional governments and the tools of research governance: between legitimacy and capacity to take action"
33. *8th Congress of the French Association of Political Science, International round-table, "Cities, Regions, States, and Europe: The rescaling of public action"*  
Lyon, September 14-16, 2005  
"Regional research policies. An unclear and ambivalent changing scale"
34. *Conference of the network on public action and work: "Work and public action: intermediary dynamics"*  
Toulouse, September 16-17, 2004  
"The implementation of a public device in the face of local dynamics"

#### **Seminars (since 2004)**

35. Center of Social Sciences of Politics (LaSSP) Seminar, June 2, 2023 (forthcoming)  
"What Use are International Organizations? Connections, Circulations, International Regimes"
36. Fourth International Conference of the Maison Universitaire franco-Mexicaine (MUFRAMEX), October 4, 2022  
"Competition Among *Grandes Ecoles* in France: Internationalization as a Criterion of Distinction"
37. *LAGAPE/OBELIS Seminar*, University of Lausanne, April 7, 2022  
"Who are the International experts in Science Policy? The Prosopographical Approach of an OECD Committee"
38. LaSSP Seminar, Session on Transnational Circulations, February 18, 2022  
"The Transnational Production of Scientific Policy: The Circulation and Appropriation of Expertise and the OECD"
39. Research Group on Multilateralism (*GRAM*) *Research Seminar*, September 30, 2021 (online)  
"Producing Expertise in Science Policy: The Role of the OECD"
40. *Seminar on Quantitative Methods for Historians*, Paris, ENS Ulm, December 10, 2020  
"Producing a Prosopography of International Scientific Elites"
41. *"Knowledge, Networks, and Mediation" seminar*
